SCS CERTIFIED
BIODEGRADABLE
Breaks down into CO_2, minerals and water

SCIENTIFIC CERTIFICATION SYSTEMS
SCS-BIO-01948

UNPAINTED SURFACES

An environmentally preferable, bio-based, ready-to-use product specially formulated to quickly and effectively remove paint, ink, crayon, magic marker and adhesive residue from unpainted surfaces. Works on all porous surfaces like brick or concrete, stone, tile, metals, wood, and glass.

WAXIE®
SANITARY SUPPLY

WAXIE-Green Graffiti Remover

Unpainted Surfaces

WAXIE Sanitary Supply offers WAXIE-Green products as a solution for customers committed to sustainable cleaning. WAXIE-Green products often include third-party certifications to substantiate environmentally preferable claims. WAXIE Sanitary Supply offers these resources to reduce environmental impacts and to promote safer and healthier work environments.

Green Partner Support™ (GPS®) from WAXIE Sanitary Supply is a comprehensive approach to assist customers in selecting products and processes to clean green. GPS identifies green cleaning products based on third-party certifications, performance and responsible packaging. GPS includes the demonstrated knowledge of LEED® Accredited Professionals employed by WAXIE.

SCS CERTIFIED BIODEGRADABLE Breaks down into CO2, minerals and water

SCIENTIFIC CERTIFICATION SYSTEMS
SCS-BIO-01948

SCS is an independent certifier of environmental, sustainability, food quality and food purity claims. SCS has developed internationally recognized standards and certification programs that verify claims including biodegradable, recycled, reclaimed, salvaged, and bio-based materials content.

ENVIRONMENTAL & SAFETY BENEFITS

- Non-toxic
- Contains no hazardous ingredients
  - No Petroleum Distillates
  - No Glycol Ethers
  - No Alkalies
- No Ammonia or Alcohol
- Phosphate free
- Non-corrosive
- Low odor
- NPE-free
- All materials are biodegradable
- VOC compliant
  - Meets South Coast Air Quality District requirements
  - Meets CARB requirements
- Bio-based ingredients
- Recycled packaging
- Manufactured in a zero waste facility

*Meets California Code of Regulations (Article 2 Section 94509, Title 17) for maximum allowable VOC content for consumer cleaning products.

TYPICAL PROPERTIES

Specific Gravity	0.950
Color	Clear Amber
Odor	Characteristic of chemical ingredient
Non Volatile Material	10%
Flash Point	>212° F

HEALTH AND HAZARD RATINGS

Category	NFPA	HMIS
Health	1	1
Fire	1	1
Reactivity	0	0
Protective Equipment	None	None

ITEM DESCRIPTION

410243 qt/cs 6/cs
2 Trigger Sprayers Included
