Advantages

Electrical cord not shown

The most powerful backpack vacuum on the market. With a 10 quart filter capacity, users are able to clean more with less down time.

Removes substantially more soil from commercial carpet and is 50% faster than traditional uprights.

Organically treated Intercept Micro Filters, along with our Four Level Filtration system, are up to 99.9% efficient at capturing dust mites, pollen, bacteria and other particulates measuring 1 micron and larger.

Vastly exceeds all industry regulation testing standards set by the Carpet & Rug Institute and the requirements of the U.S. Green Building Council's LEED rating system on performance and filtration.

Proven to eliminate stress and body fatigue by utilizing ergonomically designed handles and two-piece back plate.

Integrated tool belt keeps accessory tools within your grasp.

Includes a thermal protector shut-off switch that prevents the motor from overheating due to a full filter or obstruction within the vacuum.

Warranty*

3 years on parts, labor and motor. Lifetime on body.

*see owner's manual for complete warranty details
