PURE REJUVENATOR

CLEANER & RESTORER

Pure Rejuvenator Cleaner and Restorer is a maintenance product designed to bring out the very best in the Pure Performance floor care program. Pure Rejuvenator is a high-speed floor cleaner and maintainer that is designed to achieve a “wet-look” shine on all properly finished floors. It offers the ultimate in productivity – just dust mop floor, auto-scrub or mop-on with Pure Rejuvenator, let dry, then burnish to brilliance. It is non-film forming so there is no worry of build-up occurring. Pure Rejuvenator is also an excellent deep cleaner for use prior to recoating.

Packaging: 4x1 Gal. Containers

Product coverage rate: Up to 130,000 sq. ft. per gal.

Dilution: 2 oz. per gal. (1:64)
