

FIGHT THE SPREAD OF GERMS IN OUR WORKPLACE!

Germs that may make you sick are everywhere!

And everything you touch connects you to lots of other people and their germs. Since most germs are spread by hands, good hand hygiene is the single most important way to stop the spread of germs.

PURELL® Instant Hand Sanitizer kills germs on your hands anytime and anywhere...even at your desk. With your assistance, the PURELL Program for Workplace Wellness can help stop the spread of germs in our workplace.

PURELL® kills 99.99% of most common germs that may make you sick.
