ACTIVE INGREDIENT:

Phosphoric Acid..... Proprietary¹

OTHER INGREDIENTS: Balance

¹ The exact percentage of composition has been withheld as a trade secret. All relevant physical and health hazards have been declared, in accordance with regulatory requirements.

SHELF LIFE: All WAXIE brand chemical products have a guaranteed shelf life of up to one year after the date product was manufactured, when stored in ambient conditions. The actual manufacturing date is included in a date code on every product container.

DIRECTIONS FOR USE

Wear safety goggles and Nitrile, Neoprene, PVC or Latex gloves for your protection when handling this product.

Showers Stalls and Heavy Cleaning: Dilute with 2 parts water (1 ounce WAXIE Kleen-Brite to 2 ounces water) or use full strength to accumulations. Apply with a cloth, sponge or brush and keep surface wet for a few minutes. Agitate lightly with a brush and rinse.

Bathroom Fixtures and Light Cleaning: Dilute with 4 parts water (1 ounce WAXIE Kleen-Brite to 4 ounces water). Apply with a cloth, sponge or brush and wipe dry. Rinse. Replaces scouring powder. **Interior of Toilet Bowls and Urinals:** Push excess water from bowl. Swab with full-strength WAXIE Kleen-Brite. Flush and rinse.

NOTE: Do not place container on Formica or any other porous surfaces. For every old surfaces test a small, inconspicuous area to determine if glaze or enamel surface is removed. If so, discontinue use immediately. Do not use on marble.

Item: 870071 qt 12/cs
 Item: 870084 gl 4/cs
