

SOLUTION STATION® 443

WAXIE-Green Citrus HydroxyClean Multipurpose Cleaner

CLEAN, GREEN, EFFICIENT

This product meets the Green Seal™ environmental standard for industrial and institutional cleaners based on its reduced human and environmental toxicity and reduced volatile organic compound content.

WAXIE®
SANITARY SUPPLY

Solution Station WAXIE-Green 443 Citrus HydroxyClean

WAXIE Sanitary Supply offers WAXIE-Green products as a solution for customers committed to sustainable cleaning. WAXIE-Green products include third-party certifications where applicable to substantiate environmentally preferable claims. WAXIE Sanitary Supply offers these resources to reduce environmental impacts and to promote safer and healthier work environments.

Green Partner Support™ (GPS®) from WAXIE Sanitary Supply is a comprehensive approach to assist customers in selecting products and processes to clean green. GPS identifies green cleaning products based on third-party certifications, performance and responsible packaging. GPS includes the demonstrated knowledge of LEED® Accredited Professionals employed by WAXIE.

Green Seal is an independent, non-profit organization that strives to achieve a healthier and cleaner environment by identifying and promoting products and services that cause less toxic pollution and waste, conserve resources and habitats, and minimize global warming and ozone depletion.
